

# Help Your Children be Confident and Prepared to Thrive!

Mindset Skills are the Key  
Coaching Stories are the Answer

You will always be the most important guide in your children's lives. Our story-based program helps you connect with your children and share your own wisdom as they develop powerful mindset skills for happiness, confidence, resilience, achievement, and so much more.

**Your kids learn 27 mindset skills for happiness, confidence, and success – through coaching stories!**

**Over 30 Countries**
